### **DETAILED ACTION**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Felix D'Ambrosio on 10/27/06.

The application has been amended as follows:

#### **In the Claims:**

1. Cancel claims 12-15.
2. In claim 16 line 1, change "having" to --comprising--.

#### ***Allowable Subject Matter***

2. Claim 16 is allowed.
3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowability of claim 16 is the inclusion therein, in combination of the limitation of a cable bushing having a first sleeve, sealing means, and a second sleeve arranged in said housing, said second sleeve having a first cylindrical section which engages closely around said cable, and a second section which adjoins an end of said first section which faces said step, said second sleeve bears on said first section of said first sleeve, said housing has a first part which surrounds said first end, and a second part which is screwed onto said first part in the

direction facing said step. This limitation is found in claim 16 and is neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
